

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Roma Prime

report date 30/05/2019

Yarding 430
Change -31

comparison date 16/05/2019

The Roma Prime Sale saw a total yarding of 430 head, a continuation of the small yardings of prime cattle yarded in recent months, reflective of the current season. Cattle were mainly drawn from the local supply area, along with a good number from Boulia. A small panel of buyers was present and operating. Cows were again present in numbers and a good sample of bullocks, bulls and grown heifers were also yarded this week. The overall quality of the yarding was good. Prices were reasonably stable across the categories when compared to this week's Roma Store sale and the Dalby market yesterday.

The small number of yearling steers sold to a top of 282.2c to average 282c/kg.

The largest sample of grown steers sold to 281.2c to average 277c/kg. The best of the grown heifers made to 255.2c to average 253c/kg. Heavy weight manufacturing steers reached 270.2c to average 261c/kg. Medium weight 2 score cows made to 177.2c to average 164c, while the medium weight 3 score cows sold to 208.2c to average 196c/kg. Heavy weight 2 score cows made to 178.2c to average 173c and heavy weight 3 score cows sold to 206.2c to average 195c/kg. The best of the heavy weight bulls made to 251.2c to average 235c/kg.

The next Roma Prime Sale will be on Thursday the 13th of June.
